Dear Mr McLachlan

We issued our external report and certificate for Cowick and Snaith Internal Drainage Board on 27 September 2023 which contained one 'other' matter, in relation to having not received a bank statement as at 31 March 2023 in respect of one bank account. These were requested as part our intermediate review procedures as set out in our detailed instructions.

We have subsequently been provided with this bank statement and we can confirm that had it been provided at the time of our review, we would not have raised the 'other' matter in our report.

As you are aware, once we issue our opinion and certify closure we are unable to reissue our report; however this email may be published with the External Auditor Report for clarification.

We apologise for any inconvenience caused.

Kind Regards

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **Cowick and Snaith Internal Drainage Board – DB0019**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has not provided a year end bank statement as at 31 March for one of the bank accounts (30 March 2023 provided) to support the bank reconciliation to Section 2, Box 8. These were requested as part of our intermediate review procedures

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
