

## Clay Dyke Improvement Works: ANNOUNCEMENT OF INTENTION NOT TO PREPARE AN ENVIRONMENTAL STATEMENT under Regulation 5 (1) of The Environmental Impact Assessment (Land Drainage Improvement Works) Regulations 1999 (Amendment) 2017

---

4<sup>th</sup> February 2025

Notice is hereby given that Danvm Drainage Commissioners intends to undertake works to provide an improved level of flood protection in Fosterhouses and Fishlake.

The proposed improvement works are located at Clay Dike at its junction with Stoney Lane Drain, Fosterhouses, and involve the realignment of Clay Dyke to run north into Stoney Lane Drain, and joining Stoney Lane Drain to the south of the Stoney Lane Pumping Station. There will be a new cut drain running to the south of the existing Clay Dyke, starting north of the Stoney Lane pumping station, running east and rejoining the original drain. The section of Clay Dyke alongside Tideworth Hague Gorse woodland will be widened.

Further details about the proposals can be found on the Board's website, [yorkshirehumberdrainage.gov.uk](http://yorkshirehumberdrainage.gov.uk), or by contacting the Board by email or in writing using the contact details below.

Danvm Drainage Commissioners consider that the improvement works are not likely to have significant effects on the environment and does not intend to prepare an Environmental Statement in respect of them. With reference to Schedule 2 of the Environmental Impact Assessment (Land Drainage Improvement Works) Regulations, as well as the characteristics of the improvement works, the location of the improvement work and the type and characteristics of the potential impact, it is considered that the proposed work will not have a significant effect on the environment.

An environmental report and associated environmental assessments, including appropriate mitigation and preventative measures, have been prepared and are available by emailing [development@yorkshirehumberdrainage.gov.uk](mailto:development@yorkshirehumberdrainage.gov.uk).

Any person wishing to make representations in relation to the likely environmental effects of the proposed improvement works should do so, in writing, to the address specified below, within 30 days of the date of publication of this notice.
