

Taining Drain Improvement Works: ANNOUNCEMENT OF INTENTION NOT TO PREPARE AN ENVIRONMENTAL STATEMENT under Regulation 5 (1) of The Environmental Impact Assessment (Land Drainage Improvement Works) Regulations 1999 (Amendment) 2017

4th February 2025

Notice is hereby given that Danvm Drainage Commissioners intends to undertake works to provide an improved level of flood protection in Fishlake.

The proposed improvement works are located at fields either side of Fishlake Nab, immediately to the west of Fishlake, and involve opening up of, widening and diverting existing watercourses.

Further details about the proposals can be found on the Board's website, yorkshirehumberdrainage.gov.uk, or by contacting the Board by email or in writing using the contact details below.

Danvm Drainage Commissioners consider that the improvement works are not likely to have significant effects on the environment and does not intend to prepare an Environmental Statement in respect of them. With reference to Schedule 2 of the Environmental Impact Assessment (Land Drainage Improvement Works) Regulations, as well as the characteristics of the improvement works, the location of the improvement work and the type and characteristics of the potential impact, it is considered that the proposed work will not have a significant effect on the environment.

An environmental report and associated environmental assessments, including appropriate mitigation and preventative measures, have been prepared and are available by emailing development@yorkshirehumberdrainage.gov.uk.

Any person wishing to make representations in relation to the likely environmental effects of the proposed improvement works should do so, in writing, to the address specified below, within 30 days of the date of publication of this notice.
